```
She follows me down to where I go
She comes in a cloud but she don't know
She walks in a haze do we get up
Before it ever gets too late
Hand in hand
We walk on down
The alley and our common ground
We walk in a haze
Do we pass out
Before we ever know it's on
She ain't never gonna get wise
She ain't never gonna get wise
She ain't never gonna get wise
and i feel better with my hands ties
She ain't never gonna get wise
She ain't never gonna get wise
She ain't never gonna get wise
and i feel better with my hands ties
She follows me down to where I go
Not pulling a chain
Not feeling low
Don't wake me up
I can't relate to any other song today
Hand in hand
We walk along
The alley and our common ground
I walk in a haze why should i care
I'm waiting out the days go anywhere
She ain't never gonna get wise
She ain't never gonna get wise
She ain't never gonna get wise
and i feel better with my hands ties
She ain't never gonna get wise
She ain't never gonna get wise
She ain't never gonna get wise
and i feel better with my hands ties
