

If the Kids Are United

Die Toten Hosen

Hello Jimmy!
Hello Campi!

For once in my life I've got something to say
I wanna say it now for now is today
Life has been given to grab and enjoy
So let's all grab and let's all enjoy

If the kids are united
They will never be divided

Just take a look around you what do you see
Before with feelings like you and me
Understand him and he'll understand you
For you are him and he is you

If the kids are united
They will never be divided

I don't wanna be rejected
I don't wanna be denied
And it's not my misfortune
That I've opened up your eyes

Freedom is given to speak how you feel
I have no freedom how do you feel
They can lie to my face but not to my heart
If we stand together this will just be the start

If the kids are united
They will never be divided
