Right to Work

Die Toten Hosen

Standing around just For seven days a week I won't even get no singing on fee I feel ripped of, yeah Hey, what about you? Where was I born What are we gonna do? But this I say

We have the right to work

I don't even know what tomorrow will bring But let me tell you, having no future is a terrible thing Standing around just waiting for a career I don't take drugs and I don't drink beer But this I say

We have the right to work

Yes we do! I don't even know what tomorrow will bring Having no future is a terrible thing Standing around just waiting for a career I take lives and drugs And I'm pissed up yeah Cause I'm a nutter

We have the right to work
