

## Winters Night

Die Verbannten Kinder Evas

The sky won't be blue again  
The scent of meadows forever gone  
Fading cries, a colden reign  
The magic land of sparkling snow...

Enchanting beauty in its pride  
A mystic stranger, softest might  
A sad and colden nameless bride  
Never forgiving winter's night

The sky won't be blue again  
The scent of meadows forever gone.  
Fading cries, colden reign  
The magic land of f sparkling snow.

Enchanting beauty in its pride  
A mystic stranger softest might  
A sad and nameless bride  
Never forgiving winter's night.
