And the sparks are stacked For a southern girl She raised her popcorn bag To the blue suede world Should I take you back? Should I stay? Let's just wave Say goodbye (repeat 3x) Lipstick to the mud Chewing up old times I can't forget enough For the rest of my life Should I take you back? Should I stay? Lets just wave Say goodbye (repeat 3x) I walk in the space between the Jesus freaks and velvet geeks Around myself and back again Hoping to find myself but But all we are is all we'll ever be Say goodbye (repeat 3x)
