

It seems familiar  
Like you've been here before  
But not like this

No, not like this  
You survive the night  
Trying to forget the memories  
Haunted by regrets  
It's time to let go  
It's time to let go

It's hard enough to look at yourself  
When you know that it's not right  
God only knows that you've been through the hell  
Just close your eyes  
Let the demons rest tonight  
And don't blame yourself  
When you know it's a pointless fight  
It's hard to let go, but it's nothing else  
Just close your eyes  
Let the demons rest tonight

You've built a cage  
But your walls are closing in  
There's no escape

There's no escape  
You avoid the light  
As if you're waiting for a sign  
I watch you become  
A prisoner to your own damn mind  
It's time to let go  
It's time to let go

It's hard enough to look at yourself  
When you know that it's not right  
God only knows that you've been through the hell  
Just close your eyes  
Let the demons rest tonight  
And don't blame yourself  
When you know it's a pointless fight  
It's hard to let go, but it's nothing else  
Just close your eyes  
Let the demons rest tonight  
Let the demons rest tonight  
Let the demons rest tonight
