

# Expansion Team Theme

## Dilated Peoples

You got light, don't wait till its dark to as questions

You should check the signs, symbols, hits, clues  
The writings on the wall but it's up to you  
Expansion Team Dilated Peoples Crew  
(What you wanna do is watch for clues)

You should check the signs, symbols, hits, clues  
The writings on the wall but it's up to you  
Expansion Team Dilated Peoples Crew  
And if you still don't know, this is how we do

There ain't nothing as bright, as heavy as light  
As dark as night, as set to strike  
As ready as right, as loose as tight, as quick to expand  
As we on the mike

There ain't nothing as bright, as heavy as light  
As dark as night, as set to strike  
As ready as right, as loose as tight, as quick to expand  
As we on the mike

If it was a snake it would have bit ya'  
Slithered up like a boa-consticta and griped ya'  
Step back and beat the big picture  
These cats as though in my head  
I charge the mound just to get the picture

Bitch clearest specialist better hit ya'  
But never miss ya'  
Y'all need to double check the scripture  
Deco, Deco, unload, reload  
Pressin' heights Peco, live like Steve Beko

Piss on trees and leave marks to graffiti  
Even gang graffiti though I'm for the peace treaty  
Frustrated cats we hussle but still needy  
And whistle like Twity when we see the L.A.P.D.

We going four for score for the prize  
You need to see with more than your eyes  
It's war in disguise  
Tanfa callas are vagrants, this goes for every agent  
Some are camouflaged others are very blatant

You got light, don't wait till its dark to as questions

You should check the signs, symbols, hits, clues  
The writings on the wall but it's up to you

Se keep your torch lit, light your flares, have back ups prepared  
Wait for the enemy, war is declared  
Expansion Team Theme music anthem  
Got colored schemes hot, peak lovers red at random

Up close and personal, songs from my journal  
My lyrics are the ink, my reflection is eternal  
These words are powerful, so hard to describe  
Type to raise eye brows and open eyes

But what we did, get your hands dirty, fingers dusty  
I've been around the world, you haven't, you could trust me  
Line them up, knock them down

Keep them cocked, beats and vocals  
If you fuck with these locals catch ghost busters logo  
Channel Zero

Separate suckers from heroes, recorded digital Bobby Deniro  
Load your base bags, put on your gloves, lace the shoes  
Keep your eyes open for signs and ears open for clues

You got light, don't wait till it's dark to ask questions  
You should check the signs, symbols, hits, clues  
The writings on the wall but it's up to you
