

Phil Da Agony (Interlude)

Dilated Peoples

Told y'all down with dilated motherfuckers
Phil Da Agony break your crew, any problems?

Yeah, yeah, bones full of agony, skin full of melanin'
Go ahead, tell a friend we back at it again
Randomly I aim to cap a wack rappin' head off
Decapitate a rappin' head off you're better off

Sucked off twice in the same night
You know my style right, you know my large appetite
Brand new, keep it spank, keep a bag of dank, keep it top rank
Keep all my money in the bank

Money market mutual funds, investments for my son
Expanding the team and gettin' it done
World champions shit, Los Angeles lyrics
Bitch don't act shocked when you hear it
