Phil Da Agony (Interlude)

Dilated Peoples

Told y'all down with dilated motherfuckers Phil Da Agony break your crew, any problems?

Yeah, yeah, bones full of agony, skin full of melanin' Go ahead, tell a friend we back at it again Randomly I aim to cap a wack rappin' head off Decapitate a rappin' head off you're better off

Sucked off twice in the same night
You know my style right, you know my large appetite
Brand new, keep it spank, keep a bag of dank, keep it top rank
Keep all my money in the bank

Money market mutual funds, investments for my son Expanding the team and gettin' it done World champions shit, Los Angeles lyrics Bitch don't act shocked when you hear it
