

Gumache

Dillon

Your toothbrush is where you left it
It sits right by my sink
Ever so often whilst brushing my teeth
My gum aches my thoughts sink

Your toothbrush is where you left it
It sits right by my sink
Ever so often neglect my teeth
In reverie sit down rethink

(4x) Sleepless nights (filled with)
Senseless fights (I've had)

Your toothbrush is where you left it
It sits right by my sink
Ever so often I grind my teeth
Abstain, deep-six this missing link

(8x) Sleepless nights (filled with)
Senseless fights (I've had)
