

From Both Sides Now

Dion

Bows and flows of angel hair
And ice cream castles in the air
Feather canyons everywhere
I've looked at clouds that way

But now they only block the sun
They rain, they snow on everyone
So many things I would've done
But clouds got in my way

I've looked at clouds from both sides now
From up and down and still somehow
It's cloud's illusions I recall
I really don't know clouds at all

Moons and Junes and Ferris wheels
Dizzy dancing way that you feel
When every fairy tale comes real
I've looked at love that way

But now it's just another show
You leave em laughing when you go
And if you care, don't let em know
Don't give yourself away

I've looked at love from both sides now
From give and take, still somehow
It's love's illusions I recall
I really don't know love at all

Tears, fears, fear and doubt
To say I love you right out loud
Dreams and schemes and circus crowds
I've looked at life that way

But now old friends are acting strange
They shake their heads
They say I've changed
But something's lost but
Something's gained in living every day

I've looked at life from both sides now
From win and lose and still somehow
It's life's illusions I recall
I really don't know life at all
