

Good Lovin' Man

Dion

Good Lovin' Man, Good Lovin' Man, Good Lovin' Man
I told you that I love you but I wouldn't be around too much
Don't you ever worry 'bout no other woman,
You're the only woman to give me a rush

Baby, give me kisses, baby, take it all
Baby, give me comfort, baby, c'mon take it all

I'm a good lovin' man, Lord knows just the way I am
Ready, steady, steady like a rock and ain't nobody like I am
I'm a good lovin' man, baby, not a one night stand
Baby playin' with my hand, Baby doin' all I can
To be your good lovin' man

Little Girl I opened in NY city on a rainy Friday night
Girl now don't you know that I called you at home
to see if everything was all right and I said

Baby, give me kisses, baby, take it all
Baby, give me comfort, baby, c'mon take it all

I'm a good lovin' man, Lord knows just the way I am
Ready, steady, steady like a rock and ain't nobody like I am
I'm a good lovin' man, baby, not a one night stand
Baby playin' with my hand, Baby doin' all I can
To be your good lovin' man
