

I'm Your Gangster of Love

Dion

Baby I ain't the MOB, I ain't got no ragged
I'm a man out doing a job that even don't need my jacket
Hid in my hole [?] for the night
[?] I might stop you know I might

I am your gangster love
Hey what do you think of that
Put away all my rivals hey with a ratta tat tat tat

Baby let's take a ride hop into my caddie
Got another [?] i gotta be your gangster daddy
Don't call the FBI don't call the undercover
Give me a try to be your gangster lover

I'm your gangster love
Hey what do you think of that
Put away all my rivals hey with a ratta tat tat tat
Gonn get you baby bang bang bang

Baby I got the arms I'm your protection
Nobody do you no harm you made the right connection
Come on uptown baby I'll show you who the boss is
Don't turn me down don't try to cut your losses

I am your gangster love
Hey what do you think of that
Come over here baby
Put away all my rivals hey with a ratta tat tat tat
Come over here baby bang bang bang
Boom boom boom
Gonna shoot it up baby
Gonna take it down ratta tat tat tat
