

I Wonder Why

Dion

Don't know why I
Love you like I do
Don't know why I do

Don't know why I love you
Don't know why I care
I just want your love to share

I wonder why I
Love you like I do
Is it because I
Think you love me too
I wonder why I love you
Like I do, like I do

I told my friends
That we would never part
They often said that
You would break my heart
I wonder why they think that
We will part, we will part

When you're with me
I'm sure you're always true
When I'm away, I wonder what you do
I wonder why I'm sure you're
Always true, always true

Don't know why I do
