Take Good Care Of My Baby

Take good care of my baby Please don't ever make her blue Just tell her that you love her Make sure you're thinking of her In everything you say and do

Take good care of my baby Now don't you ever make her cry Just let your love surround her Paint a rainbow all around her Don't let her see a cloudy sky

Once upon a time that little girl was mine If I have been true, I know she'd never be with you

So take good care of my baby Be just as kind as you can be And if you should discover That you don't really love her Just send my baby back home to me

Take good care of my baby Be just as kind as you can be And if you should discover That you don't really love her Just send my baby back home to me

Take good care of my baby Take good care of my
