

The Way You Do Things You Do

Dion

You got a smile so bright
You know you could have been a candle
I'm holding you so tight, baby
You know you could have been a handle
The way you swept me off my feet
You know you could've been a broom
And baby you're so sweet
You know you could've been some perfume

Little girl you could've been anything that you wanted to
And I can tell
The way you do the things you do
The way you do the things you do

Girl as pretty as you are
You know you could've been a flower
And if good looks were the minutes
You know you could have been an hour
The way you stole my heart
You know you could have been a crook
And baby you're so smart
You know you could have been a school book

Little girl you could've been anything that you wanted to
And I can tell
The way you do the things you do
The way you do the things you do

You make me feel so rich
You could have been some money
And baby you're so sweet
You could have been some honey
The way you stole my heart
You could have been a real crook
And baby you're so smart
You should could been a school book

You could've been anything that you wanted to
And I can tell
The way you do the things you do
The way you do the things you do
