

You're Mine

Dion

Well you know I love you baby
You're the woman that I think so fine
Oh yeah
I said, I'm gonna love you baby
I always tell the world that you're mine
Oh yeah
I said, I'm gonna squeeze you tightly
Baby don't you know you're gonna be mine?
Oh yeah

I said we'll always be together
'Cause that's the way that thing should be
You see
I say, we'll always get together baby
That's the way that thing should be
Oh yeah
I'm gonna take you 'round the world
Baby don't you know what we're going to see?

Well you know I love you baby
You're the woman that I think so fine
I said, I'm gonna love you baby
I'm gonna tell the world that you're mine, be kind
Well if you go and leave me baby
Don't you know you're mine?
Can't do that now
Oh yeah, you're fine
You're mine
You're part, break my heart now
Oh yeah (2x), come on
Oh yeah (2x)
