

Calling Elvis

Dire Straits

Calling Elvis - is anybody home
Calling Elvis - I'm here all alone
Did he leave the building
Or can he come to the phone
Calling Elvis - I'm here all alone

E **D** **E**
Well tell him I was calling just to wish him well
D **E** **D** **E**
Let me leave my number - heartbreak hotel
D **E** **D** **E**
Oh love me tender - baby don't be cruel
D **E** **F#**
Return to sender - treat me like a fool

Calling Elvis - is anybody home
Calling Elvis - I'm here all alone
Did he leave the building
Or can he come to the phone
Calling Elvis - I'm here all alone

Why don't you go get him - I'm his biggest fan
You gotta tell him - he's still the man
Long distance baby - so far from home
Don't you think maybe you could put him on

Well tell him I was calling just to wish him well
Let me leave my number - heartbreak hotel
Oh love me tender - baby don't be cruel
Return to sender - treat me like a fool

Calling Elvis - is anybody home
Calling Elvis - I'm here all alone
Did he leave the building
Or can he come to the phone
Calling Elvis - I'm here all alone
