

# On Every Street

Dire Straits

**F/C**                    **C**                    **G/B**                    **C**  
Theres gotta be a record of you some place  
**Am**                    **G/B**                    **C**   **F/C**  
You gotta be on somebodys books  
**C**                    **G/B**                    **Esus4**   **Am**  
The lowdown - a picture of your face  
**G**                    **F**  
Your injured looks  
**C**                    **F**  
The sacred and profane  
**C**                    **G**  
The pleasure and the pain  
**C**                    **G/B**                    **Am**                    **Em**  
Somewhere your fingerprints remain concrete  
**Dm**                    **B**                    **F/B**  
And its your face Im looking for  
**C**                    **Am**  
on every street
