

After Santa Monica Boulevard

Dirty Projectors

Does Sheryl Crow know
After Santa Monica Boulevard she had not to give?
And I don't believe her when she says it's time to lighten up
Not the way that I believe Don Henley when he tells me
Not the way that I believe Don Henley when he tells me
And I don't believe her when she says it's time to lighten up
Not the way I believe Don Henley when he tells me
Not the way I believe Don Henley when he tells me
