

# When Silence Is Broken

Disbelief

When silence is broken, broken!

See what's up!  
It faces me with a mask  
I'm paralyzed  
A day gets dark

When it comes  
It feels so strong  
I can't dwell on it  
On all what surrounds, I spit!

Breakdown - resurrection

It's opened  
A storm of no end  
Isolation  
A world where you have no chance!

I wake up  
It's still and cold  
The messages they've told  
Nothing exists here in hell, forgive me!

Breakdown  
When silence is broken  
Resurrection  
When silence is... Broken, broken  
When silence is broken  
When silence is broken, broken, broken...

Fears that reflect on me, like a mask  
Can't describe, what I've seen, what I've seen

Breakdown  
When silence is broken  
Resurrection
