

Always Restrictions

Discharge

Twisting words words for their own gain
Led up another garden path
Kept in darkness and fed on crap

It's a messed up, fucked up fuckin' system

They're always there with their restrictions
Always there to put you down
Anarchy's the only solution now

It's a messed up, fucked up fuckin' system

Twisting words words for their own gain
Led up another garden path
Kept in darkness and fed on crap

It's a messed up, fucked up fuckin' system

They're always there with their restrictions
Always there to put you down
Anarchy's the only solution now

It's a messed up, fucked up fuckin' system
