

# The Mechanism

## Disclosure

So one of the things I need y'all to do for me is  
You gotta know that it's coming.  
And once you know it's coming,  
Once you know it's coming,  
Stay in the zone.  
Stay on fire.  
Reach your maximum level.  
There's one simple reason

The mechanism of incessant,  
Incessant, habitual conceptualization.  
Creation of ideas, goals and frameworks  
That are turned over.  
Completed, to the friend within

You know it's coming

You know it's  
You know it's  
You know it's  
You know it's coming

You know it's coming  
You know it's
