if you penetrate the door
you've got a hallway highway to some other
can you handle handrail, in all honesty
stats out very uneven
questionable how you're climbing
steps?
what's that mean
i hear the creaking speaking
very well

i stand watching from the banister we are both equally explosive you've come in all unexposed and get your new skin on now on the outside again feels funny to you now looks like you get another shot

here's a bat you're a hit with me

furious in the fast fast forest body hollow attic looking for some skin to share apostrophe looking for me your eyes ask mine if i'm anywhere can you scal live wire quite impaired but i'm dying to take the dare so climb
