Misanthropic Generation

Ride the black wings of the holocaust angel Across burning skies, raining acid and sulphur Churches, governments will crumble and fall As in heaven so below As the wolves descend upon the flock of sheep Watch a misanthropic generation bleed As the wolves descend upon the flock of sheep Another child born of the dead-end breed Nihilism, rage, frustration realeased A planet under siege, a final killing spree There's no time for no fuckin' apologies We're hitting you hard and We're hitting you deep Harder HARDER Deeper DEEPER

Disfear
