I Can Go The Distance

I have often dreamed Of a far off place Where a great, warm welcoming Would be waiting for me Where the crowds will cheer When they see my face And a voice keeps saying This is where I'm meant to be

I will fiind my way I can go the distance I'll be there someday If I can be strong I know every mile Will be worth my while I will go almost anywhere To feel like I belong

Down an unknown road To embrace my fate Though that road may wander It will lead me to you And a thousand years Would be worth the wait It might take a lifetime But somehow I'll see it through

And I won't look back I can go the distance And I'll stay on track No I won't accept defeat It's an uphill slope But I won't lose hope Till I go the distance And my journey is complete But to look beyond the glory is the hardest part For a hero's strength is measured by his heart

Like a shooting star I will go the distance I will search the world I will face its harms I don't care how far I can go the distance Till I find my hero's welcome Waiting in your arms...

I will search the world I will face its harms Till I find my hero's welcome Waiting in your arms
