

# Love Will Find A Way

Disney

In a perfect world  
One we've never known we  
Would never need to face the  
World alone they can have  
Their world we'll create our  
Own I may not be brave or  
Strong or smart but somewhere  
In my secret heart

I know love will find a way  
Anywhere I go I'm home if you  
Are there beside me like dark  
Turning into day somehow we'll  
Come through now that I've  
Found you love will find a way

I was so afraid now I  
Realize love is never wrong  
And so it never dies there's  
A perfect world shining in  
Your eyes  
Both: And if only they could  
Feel it too the happiness I  
Feel with you

They'd know love will  
Find a way anywhere we go  
We're home if we are there  
Together like dark turning  
Into day somehow we'll come  
Through now that I've found  
You love will find a way

I know love will find a way  
Anywhere we go I'm home if we  
Are there together like dark  
Turning into day somehow we'll  
Come through now that I've  
Found you love will find a way  
I know love will find a way
