

Another Way to Die

Disturbed

The indulgence of our lives
Has cast a shadow on the world
Our devotion to our appetite
Betrayed us all

An apocalyptic plight
More destruction will unfold
Mother Earth will show her darker side
And take her toll

It's just another way to die

There can be no other reason why
You know we should have seen it coming
Consequences, we cannot deny
Will be revealed in time

Glaciers melt as we pollute the sky
A sign of devastation coming
We don't need another way to die
Can we repent in time?

The time bomb is ticking
And no one listening
Our future is fading
Is there any hope we'll survive?

Still, we ravage the world that we love
And the millions cry out to be saved
Our endless maniacal appetite
Left us with another way to die

It's just another way to die
Ooh, can we repent time?

Greed and hunger led to our demise
A path I can't believe we followed
Black agendas rooted in a lie
Will we repent in time?

Species fall before our very eyes
A world they cannot survive in
Left them with another way to die
Are we dead inside?

The time bomb is ticking
And no listening
Our future is fading
Is there any hope we'll survive?

Still, we ravage the world we love
And the millions cry out to be saved
Our endless maniacal appetite
Left us with another way to die

It's just another way to die

Still, we ravage the world we love
And the millions cry out to be saved
(Millions cry out)
Our endless maniacal appetite
Left us with another way to die

It's just another way to die
Ooh, can we repent time?
It's just another way to die
Ooh, can we repent time?
