

# Droppin' Plates

Disturbed

Well, here we go again, get up  
A little somethin' for your ear hole, get up  
Baring a part of my soul again, get up  
Disturbed in the house, we're droppin' plates

You said it couldn't be done told me that  
It's the kind of battle that just couldn't be won  
You know you're too sick, too hard, too fucked in the head  
You'll never make it, no, not in this lifetime

Well, guess again my friend don't act surprised  
We got the bass drum kick that will blow out your eyes  
'Cause when you hear this shit you'll get to steppin'  
Gonna fight the war and use my music as a weapon

You know I'm talkin' 'bout recognition  
You know I'm talkin' 'bout vindication

Another goddamn slap in the face  
Don't wanna give us a place  
Are you afraid?

Well, fear this 'cause I'm breakin' through the walls  
Of your nightmare, wake up time to die  
The way I'm livin' there is no compromising it  
Better get ready for another surprise

And it may leave a mark  
Because I'm coming fast  
Plantin' thoughts in your mind  
And droppin' plates on your ass

Well, here I come  
I'm droppin' plates on your ass, bitch  
You never mind and you don't need this

Said, here I come  
I'm droppin plates on your ass, bitch  
You never mind and you don't need

Well, on your mark, here we go again  
Well, never mind 'cause you're not number one  
You're too hard and from the other side  
I think it's time to bring it home again  
Right to me

Well, on your mark, here we go again  
Well, never mind 'cause you're not number one  
You're too hard and from the other side  
I think it's time to bring it home again  
Right to me

You know I'm talkin' 'bout recognition  
You know I'm talkin' 'bout vindication

Well, here I come  
I'm droppin' plates on your ass

Well, here I come  
I'm droppin' plates on your ass

Say here I come  
I'm droppin' plates on your ass  
Well, here I come  
I'm droppin' plates on your ass

Plates on your ass, bitch  
Plates on our ass

Well, here I come I'm dropping plates  
I dropping plates  
Plates on your ass, bitch  
Plates on your ass

Here I come I'm dropping plates  
And I'm dropping plates  
And then ...  
Here we go again I'm dropping plates

I use my music my weapon  
I'm dropping plates  
We blew the walls of your nightmare  
I'm dropping plates  
Well, here we go we're dropping plates
