

## Forfeit

## Disturbed

We'll not be shaken  
And jump into this in  
Be persuasive  
And just carry on  
Make my mind up  
To cut through this  
Be firm and sit, in silence  
I want to fight  
I want to prove i'm right  
I want to fight  
So turn and forfeit  
Forfeit  
Learn from this  
Prehistoric text and  
Refrain from talking  
Solves our problems  
Medicated could do some good  
Find a way to relate  
Or just shut up  
So step up  
and forfeit
