

## Just Stop

## Disturbed

Just stop enough of the limitless critical comments on my life  
Just drop the judgment and all of your pseudo-  
involvement in my life  
Step back a moment, and look at the miracle starting in our life  
Don't stop the moment, and let the incredible happen knowing that

All that you want is to criticize  
Something for nothing  
And all that I want is forgiveness one more time  
To be the best in the world

Just stop with all of your little deliberate problems with my life  
Enough of all the crippling, terrible pain we feel inside  
Step back a moment, remember how the miracle started in our life  
Take back the torment; I won't be enjoying this moment knowing that

All that you want is to criticize  
Something for nothing  
And all that I want is forgiveness one more time  
I know that  
All that we want is to feel inside  
Some kind of comfort  
And all that we've done  
We can hide  
We'll be the best in the world

All I ever wanted was to be a real source of compassion  
From the moment that we found ourselves drowning in  
All I ever wanted was to be a real source of compassion  
From the moment that we found ourselves drowning in

All that you want is to criticize  
Something for nothing  
And all that I want is forgiveness one more time  
I know that  
All that we want is to feel inside  
Some kind of comfort  
And all that we've done  
We can hide  
We'll be the best in the world  
We'll be the best in the world  
Just stop enough of the limitless critical comments on my life  
Just drop the judgment and all of your pseudo-

involvement in my life
