Bold motherfucker
Don't you limit your mind

Liberate your mind
You motherfucker, you're so narrow minded
So narrow minded
So, liberate your mind
You motherfucker, will you liberate your mind

Liberate your mind
You motherfucker, you're so narrow minded
So narrow minded
So, liberate your mind
You motherfucker, will you liberate your mind this time

Bold motherfucker don't you limit your mind Can't you see that the pace has just fallen behind All the hate in your heart will be leaving you blind So bold motherfucker don't you limit your mind

Now, bold motherfucker don't you limit your mind Can't you see that the pace has just fallen behind All the hate in your heart will be leaving you blind So bold motherfucker don't you limit your mind this time

Waiting for your modern Messiah To take away all the hatred That darkens the light in your eye Still awaiting I

Liberate your mind
You motherfucker, you're so narrow minded
So narrow minded
So, liberate your mind
You motherfucker, will you liberate your mind?

Liberate your mind
You motherfucker, you're so narrow minded
So narrow minded
So, liberate your mind
You motherfucker, will you liberate your mind this time?

Bold motherfucker don't you limit your mind Can't you see that the pace has just fallen behind All the hate in your heart will be leaving you blind So bold motherfucker don't you limit your mind

Now, bold motherfucker don't you limit your mind Can't you see that the pace has just fallen behind All the hate in your heart will be leaving you blind So bold motherfucker don't you limit your mind this time

Waiting for your modern Messiah To take away all the hatred That darkens the light in your eye Still awaiting I {Out of Zion shall come forth the law
And the word of the Lord from Jerusalem
Nation shall not raise sword against the nation
And they shall not learn war anymore
For the mouth of the Lord hath spoken}

Waiting for your modern Messiah To take away all the hatred That darkens the light in your eye

How long will we be waiting for your modern Messiah To take away all the hatred That darkens the light in your eye Still awaiting I, still awaiting I
