

Mine

Disturbed

Been watching for a long time, seeing the world join forces to
the edge of calamity
How many of the wars have started over mankind's area we call r
eligion?
Too many of our children have died in the never ending fight fo
r territory

Are we born to violence?
Can we stop in time?
They say you will want to remain on your side
You'll be starting a war now if you cross that line
Turn around or face my reprisal for I have determined that this
is mine

'Ey! (6x)

Been hurting for a long time feeling my heart torn open from th
e lack of humanity
Insanity on both sides reaping the path that guarantees our own
extinction
Hate added to the stockpile filling the world with enemies, a c
onstant battle

In the face of violence, they omit their pride
They say you will want to remain on your side
You'll be starting a war now if you cross that line
Turn around or face my reprisal for I have determined that this
is mine

Oooooohhhhhh (2x)

You will want to remain on your side
You'll be starting a war now if you cross that line
Turn around and face my reprisal for I have determined that thi
s is mine

We will not be broken this time
We will force the whole world to testify
Stand your ground or face our reprisal for we have determined t
hat this is..
