1. Sunday morning, I heard the preacher say
C
Thou shall not kill
Em **D** **C**
I don't wanna hear nothing else about killing
And that it's God's will
Em **D**
'Cause our children are watching us
C
They put their trust in us
They're gonna be like us
Em **D**
So let's learn from our history
C
And do it differently

G
R: I hope
For more love, more joy and laughter
I hope
We'll have more than we'll ever need

C
I hope
We'll have more happy ever afters

G
I hope
We can all live more fearlessly
D **C** **G**
And we can lose all the pain and misery
I hope
I hope

2. Oh Rosie, her man he gets too rough
C
That's all she can say,
Em
Is he's a good man
D
He don't mean no harm
C
He was just brought up that way
Em **D**
But our children are watching us
C
They put their trust in us
They're gonna be like us
Em **D**
It's okay for us to disagree
C
We can work it out lovingly

R:

G **Em** **C**
There must be a way to change what's going on

G **Em** **C**
No I don't have all the answers

R: +
I hope
I hope
