1. Sunday morning, I heard the preacher say
   Thou shall not kill
   I don't wanna hear nothing else about killing
   And that it's God's will
   'Cause our children are watching us
                  С
   They put their trust in us
   They're gonna be like us
   So let's learn from our history
   And do it differently
    G
R: I hope
   For more love, more joy and laughter
   We'll have more than we'll ever need
    С
   I hope
   We'll have more happy ever afters
    G
   We can all live more fearlessly
             D
                          С
   And we can lose all the pain and misery
   I hope
   I hope
2. Oh Rosie, her man he gets too rough
   That's all she can say,
   Is he's a good man
           D
  He don't mean no harm
         С
   He was just brought up that way
   But our children are watching us
   They put their trust in us
   They're gonna be like us
   It's okay for us to disagree
         С
   We can work it out lovingly
R:
