

Sun

Dizmas

Does the sun keeps on shinin' on me?
'Cause I don't wanna go alone
I don't wanna let you down
You're all I've got
I know this world is not the end of me
Am I a good kid?

But do I have to fight for you
Or do you save me on your own
'Cause you're all I've got
I know this world is not the end of me
Am I a good kid?

Let the sun keep on shining on me
I don't wanna let you down
Keep your promise keep shining on me
Do I make you proud?
