

Kill the Tension

Dizzy Wright

Fuck everything else
Fuck everything else
Baby, fuck everything else
It's about us
Mm, it's about us
Baby girl, it's about us
Fuck everything else
Fuck everything else
Baby, fuck everything else
It's about us
Mm, it's about us
Baby girl, it's about us

I don't wanna fight right now, wouldn't you rather smoke?
Right now we should kill the tension risin'-risin'
Right now wouldn't you rather smoke?
Right now we should kill the tension risin'-risin'

Well I'm livin' like I think I'm slick (Come on)
I'm tryna buy a house, fuck payin' rent (Come on)
Don't worry about the money that was spent (RIght on)
Flint town, Las Vegas, represent, yeah, yeah
Lookin' for a real man? This is it
Days in your hair, you poetic fly (Damn)
Skatin' rink vibes ain't gon' never die
Me? I'm in a Jetta and you lookin' like a pride
Show you what I got, tell you nice news
I ain't perfect, I ain't gon' make all the right moves (Nah)
Trippin' with the homeboys off the Hen, dawg
You bein' immature, I don't like you
This ain't like you, gimme somethin' to get high to
Respondin' all crazy, I expect that (I expect that)
Overreactin', you trippin', I'm trippin', this a setback, baby

Fuck everything else
Fuck everything else
Baby, fuck everything else
It's about us
Mm, it's about us
Baby girl, it's about us

Look, I ain't tryna change nothin' 'bout you (Not at all)
Can't kill the vibes, don't know how to
Feel scared every time I get around you
I knew you were somethin' to come around to
But I love it when you hit me with that round 2, yeah

They don't get it yet, they don't get it yet (Bang, bang)
We just took a shower, we ain't lit it yet, yeah
Big confident, keep the kitty wet, yeah
Everything I do is sugar-free
It wasn't G (Woo), wasn't me, nah, couldn't be
Like the wood with the flame and she wouldn't leave
We done came a long way from Double Tree
Five-star hotel suites, yeah
The only L that I'm takin' is this L piece, yeah
Tattered up dress, matted up so it's all good anytime you tell

Fuck everything else
Fuck everything else
Baby, fuck everything else
It's about us
Mm, it's about us
Baby girl, it's about us
Fuck everything else
