

The Gold

DJ Clue

Shimmering... Glimmering... glistening... that's the gold
Shimmering... Glimmering... glistening... that's the gold
Shimmering... Glimmering... glistening... that's the gold

Dudes come in heavy but they leave out light homey
Married to robberies leave you holy in matrimony
He leavin out the club security round him
But you aint thinking bout that when your stomach is growlin
I can taste so bad that my heart is poundin
Thinking if I get this nigga it'll be a couple of thousands
Told my dude follow his whip make sure you don't lose him
Almost got caught at the light run that you stupid
I got an eye for this shit and I don't need no specs
Cause I can see the ice glisten through the 5 percent
Saw him stop at the deli prolly fold some dutches
Bout to creep till jake pulled up them muhfukers
Nervous a lil sumthin but that shit wore off
Yea right about the time that jake peeled off
Dude takin too long fuck he buyin the store?
Fuck it run up in that bitch and lets catch them all
Cause the all

See the full arm.... Shimmering...
Damn you see the charm ... Glimmering...
Yea he got a lot of things.... Glistening ...
And if P get a word... that's the gold...

Yea that's a gang load of ice.... Shimmering...
Yea it's lookin real nice... Glimmering...
Nigga got the rose gold ... glistening...
And it Hav get a word... That's the gold...

Fuck you and all that shit you pop
You aint a general nigga you a fuckin flunk
Matter fact come through with those diamond chunks
And Im takin all of that of you my dun
And im already sparkling
I don't need this shit..
But fuck that, that's a whole lotta cash
Couple cars for the squadron
A few weeks with at the suite with my sweetie
From across the map
Get him
And that means it's a go
Like the wizard of oz I turn the green lights on you
Stick niggas like needles.
Im sharp like needles and super on point for the peoples
The bells the police bitch and if I go broke I'll be doin this more often..
The rings and the wrist... watch before I put your brains in a coffin...

See the full arm.... Shimmering...
Damn you see the charm ... Glimmering...
Yea he got a lot of things.... Glistening ...
And if P get a word... that's the gold...

Yea that's a gang load of ice.... Shimmering...
Yea it's lookin real nice... Glimmering...

Nigga got the rose gold ... glistening...
And it Hav get the word... That's the gold...

Aint no use in tuckin that chain
Cause I can see you in the spot you was mister bling bling
Yea the wheels of motion it done been arranged
And im just waitin that ass to hop in that range
Put a bad bitch on him .. all he thinking is pussy..
See Dudes want that honey all we want is the goodies
2 way in back and forth and 2 cars back
Aint nobody tryin to recognize this fucked up Ac (acura)
Know a nigga waitin patient shorty hit me back
She know I got caught at the light told me where to catch up
I gotta get this muhfucka so im doin a buck
Better slow the fuck down b'fore I get locked up
Told her take him to a parkin lot one in the cut
It Might look a lil fishy but niggas wan nut
Hurry up got there before the windows fogged up
Open up the door nigga give that up cause you are...

Shimmering ...
Damn you see the charm ... Glimmering...
Yea he got a lot of things.... Glistening ...
And if P get a word... that's the gold...

Yea that's a gang load of ice.... Shimmering...
Yea it's lookin real nice... Glimmering..
Nigga got the rose gold ... glistening...
And it Hav get the word... That's the gold...
