

Amnesia

DJ Paul

[Intro]

This for the real, this for the fame
I just shift for real, these haters get

[Hook]

Amnesia, have them got amnesia
Them does what is real so I forgot about them people
Whoop a nigga ass then, but I gotta have my ego
My girl looking at, she must forgot I need her
Amnesia, have them got amnesia
Hawl at them, it feels so long, but I gotta have the beamer
Smoke so much weed, I forgot to chose a legal
They remember the last name, a nigga need a re-up

[Verse 1]

Let me tell you a day or two
I got hoes like Uncle Luc
Have them got amnesia like the money, I remember you
Care for nigga with the shit, how quickly do we forget
Forgot your girl, something, that's a thing you don't even know she do
Right, that hot girl go, you know how I know
Have your girl up in my shit and you don't even know
Twenty girls in a jail, get em for no G
Now I know you ain't got no time, remember me
They are rappy on the ground, niggers know that I ain't lying
It was up, ain't got no problem, nigga told they do up nine
Them niggers are used to f*cking, what's the f*cking ways to die
Niggers dope, got me catching amnesia, they completely slip my mind

[Hook]

Amnesia, have them got amnesia
Them does what is real so I forgot about them people
Whoop a nigga ass then, but I gotta have my ego

My girl looking at, she must forgot I need her
Amnesia, have them got amnesia
Hawl at them, it feels so long, but I gotta have the beamer
Smoke so much weed, I forgot to chose a legal
They remember the last name, a nigga need a re-up

[Verse 2]

She eager, riding around on my beamer
I forgot this hoe name, had it call amnesia
She want the man and she want the visa
I forgot my rubbers and she still want me to greeze her
I don't run like that, but I keep therefore like that
Niggers talking shit, clearly they talk and he forget
Amnesia, guess he got a bad place
Had her call so much I can't remember what I last drank
Yeah, drinking bottle after bottle
Smoke the best weed, then forget my problems
Got so much money, niggers, we get that from the rappers
I know you niggers scared, so get the step up like a copper

[Hook]

Amnesia, have them got amnesia
Them does what is real so I forgot about them people
Whoop a nigga ass then, but I gotta have my ego
My girl looking at, she must forgot I need her
Amnesia, have them got amnesia
Hawl at them, it feels so long, but I gotta have the beamer
Smoke so much weed, I forgot to chose a legal

They remember the last name, a nigga need a re-up
