

Criminals

DMA's

I don't need you
You don't need me
To figure out, to figure out
Oh, where you wanna be
Did I know you once?
Did I know you well?
Did I know you?
Did I show you a way to think again?

Tell me, do you need a partner, oh?
'Cause the criminals are here, yeah
Tell me, do you need a partner, oh?
'Cause the criminals are near

You don't need me
And I don't need you
You don't see, you don't see anything at all
And I don't want to believe in you
But if you go, if you go
Don't come back at all

Tell me, do you need a partner, oh?
'Cause the criminals are near, yeah
Tell me, do you need a partner, oh?
'Cause the criminals are near

You can be anyone now
You can be anything elsewhere
You know it's really gone
You know it's really gone wrong
You can be anyone now
You can be anything elsewhere
You know it's really gone
You know it's really gone wrong

You can be anyone now
You can be anything elsewhere
You know it's really gone
You know it's really gone wrong
You can be anyone now
You can be anything elsewhere
You know it's really gone
You know it's really gone wrong

Tell me, do you need a partner, oh?
'Cause the criminals are near, yeah
Tell me, do you need a partner, oh?
'Cause the criminals are near
