

## If I Needed You

Doc Watson

If I needed you, would you come to me  
Would you come to me for to ease my pain  
If you needed me I could come to you  
I would swim the seas for to ease your pain

Well the night's forlorn and the morning's born  
And the morning's born with the lights of love  
And you'll miss sunrise if you close your eyes  
And that would break my heart in two

Baby's with me now since I showed her how  
To lay her lily hand in mine  
Who could ill agree she's a sight to see  
A treasure for the poor to find
