

Sweet Georgia Brown

Doc Watson

Well let me tell you well no chick made
Could be the same
As Sweet Georgia Brown.
Crazy feet that dance so neat
Has sweet Georgia Brown.
Fella's sigh, and even cry
For sweet Georgia Brown.
I tell you just why
You know I don't lie.
It's been said
She knocks them dead
In any old town.
Since she came right
It's a shame
How she brings them down.
