## Suffer

## Dogwood

Independent. I leave you now, to drown in desolation oblivious to no one.

Perpetual comparison, you realized when I left that you were do ne.

Suffer! 'cause this would be your fault. I know it's just anoth er lie...

You expect me to succumb, snuff your insecurities.
You bounce from friend to friend, you're nothing but a memory of treasure lost.

We stumbled side by side, we all tried to ignore the promises y ou never kept.

You realized when I left that you were wrong, you're wrong. Come on.
