

Because The Night

Domina Noctis

Take me now, baby, here as I am
Hold me close, try and understand
Desire is hunger is the fire I breathe
Love is a banquet on which we feed

Come on now, try and understand
The way I feel when I'm in your hands
Take my hand, come under cover
They can't hurt you now, can't hurt you now, can't hurt you now
.

Because the night belongs to lovers
Because the night belongs to lust
Because the night belongs to lovers
Because the night belongs to us

Have I a doubt, baby when I'm alone
Love is a ring on the telephone
Love is an angel, disguised as lust
Here in our bed 'til the morning comes

Come on now, try and understand
The way I feel, under your command
Take my hand as the sun descends
They can't hurt you now, can't hurt you now, can't hurt you now
.

Because the night belongs to lovers
Because the night belongs to lust
Because the night belongs to lovers
Because the night belongs to us
