## **Because The Night**

## **Domina Noctis**

Take me now, baby, here as I am Hold me close, try and understand Desire is hunger is the fire I breathe Love is a banquet on which we feed

Come on now, try and understand
The way I feel when I'm in your hands
Take my hand, come under cover
They can't hurt you now, can't hurt you now, can't hurt you now.

Because the night belongs to lovers Because the night belongs to lust Because the night belongs to lovers Because the night belongs to us

Have I a doubt, baby when I'm alone Love is a ring on the telephone Love is an angel, disguised as lust Here in our bed 'til the morning comes

Come on now, try and understand
The way I feel, under your command
Take my hand as the sun descends
They can't hurt you now, can't hurt you now, can't hurt you now

Because the night belongs to lovers Because the night belongs to lust Because the night belongs to lovers Because the night belongs to us
