

Desire

Dommin

Oh, lecherousness
I madly obsess
How I miss the heat
Of skin so soft and sweet

It's you I desire
It's you I desire

I hunger and thirst
Naturally cursed
Never satisfied
Until the day I die

It's you I desire
Whether it's lose or win
It's you I desire
And I can't help but give in
It's you I desire
It's you I desire

You know what I'm thinking of
You know what I'm thinking of
You know what I'm thinking of

It's you I desire
Whether it's lose or win
It's you I desire
And I can't help but give in
It's you I admire
It's you I desire
