

The Girls

Dommin

Shower you with roses
Anything to feed your hungry heart
And maybe this is hopeless
But baby, I am reaching for the stars

The light that hits the ocean
Reminds me of the sparkle in your eyes
And poetry in motion
Leaves me breathless lost and hypnotized

Hey! She don't know me, she don't know me
Hey! She don't know me, she don't know me

Because I only love the girls
That don't love me back
That won't love me back
That don't love me back
I only want the girls that won't love me back
That don't love me back
Back back to back

I can't close the distance
I'm running but I'm still so far behind
And these attempts seem foolish
Cause I know that you'll never be mine

Hey! She don't know me, she don't know me
Hey! She don't know me, she don't know me

Because I only love the girls
That don't love me back
That won't love me back
That don't love me back
I only want the girls that won't love me back
That don't love me back
Back back to back

Hey, I just can't help myself
Hey, I just can't help myself

I only like the girls That don't like me back
That won't like me back
That don't like me back
I only like the girls that wont like me back
That don't like me back
Back back to back

Only like the girls that that don't love me back
That won't love me back
That don't like me back
Only like the girls that wont like me back
That don't like me back
Back back to back

Only like the girls that that don't love me back
That won't love me back
That don't like me back

Only like the girls that wont love me back
That don't love me back
Back back to back

Hey! She don't know me, she don't know me
Hey! She don't know me, she don't know me
