I must have coughed my damn lungs out Still smoking everyday nigga, cause I'm strung out Fly the fuck out, this what all the fuss bout Niggas got dumb clout and we took the fun route Lounging niggas despising every move But the wolves is out and everything is looking edible With easing all of the pussy up on the pedestal Send em back woozy from smoking all of the medical Peeping in my rear view I'm just so far ahead of you It's looking like the future from all the raps that I'm telling you Raps like crack It's like my situation federal, I'm telling you Sick need a whole gallon of Theraflu Cliche, yeah, but the bitches think it's susceptible They tell me Domo ain't no real niggas left except for you You kill it every single time you get a chance to And I reply, Ain't that the damn truth

All of this money and all of these hoes
All of these bright lights and all of these shows
All of these wild nights, life on the road
Is all the shit I was dreaming before so lets smoke

On a high end hiatus I went retail ridiculous

Bought to get a grill, so I can act mad niggerish Six Hundred for a belt, still sag all ignorant Bitch I'm from OddFuture obvious I don't give a shit Young niggas gettin it Make sure you hearing me Trying to get paid, banks stupider then Hilary And all these hating niggas talking down be killin me I promise to never be lame as the niggas dissin me Same nigga I just handle biz a lil differently Outdo who? I run shit little nigga please Compare to my averages you Little League Kicking brag raps at least gotta have a little cheese I'm fenna be the most outspoken Hey your favorite nigga out, I'm so focused But in the meantime I'm a chill in ? and be the very best thing smoking, Closin

All of this money and all of these hoes
All of these bright lights and all of these shows
All of these wild nights, life on the road
Is all the shit I was dreaming before so lets smoke

(Tyler, The Creator)
Yeah nigga Odd Future Wolf Gang nigga
Yeah dog I ain't got that mean today
I'm too high for this shit
Domo Genesis, Under the Influence

I Don't know I'm too high for this shit dog, I ain't really got it in me, No Homo
