

ACTION

Don Broco

(Woah-oh-oh-oh-oh-oh-oh)
Action, action action
Action
Action, action action
Action, kay, good?

Show me action
Just a reaction
I'mma get me some action
Some interaction, baby

I don't care when you're home alone
What you're doing by yourself on your mobile phone
You not bothered that you're all alone oh no?

Healthy and wholesome
Mixing your potion
It's gonna happen now
I came here to win

Man of the moment
What's so important?
Spin kick with the muay thai
Coming, we're coming up now
(I don't wanna wait)

Show me some action
Show me, show me some action, action
Show me some action
Show me, show me some (ooh, ooh, ooh)
So dangerous, dangerous
Show me some action
Show me

I don't know why you're so complacent
You've got to face it, we're going to die
Take a look at all the time you wasted
Just get up, and get out the way

I don't care about the mess you made
It's your price to pay, and I'm living just fine
I just lit the fuse, and I'm ready to move
So get out the way

Healthy and wholesome
Mixing your potion
It's gonna happen now
I came here to win

Man of the moment
What's so important?
We're going out with a bang now
We're going out with a bang

Lack of composure
Not trying to control you but
We're going out with a bang so

We're going out with a bang

Spin kick with the muay thai
Still looking for the Wi-Fi
Big swing, kiss it bye, bye, bye
Coming, we're coming up now
(I don't wanna wait)

Show me some action
Show me, show me some action, action
Show me some action
Show me, show me some (ooh, ooh, ooh)
So dangerous, dangerous
Show me some action
Show me

Ooh-ooh-ooh
What you do
And what you do
Don't turn back, make you feel so good

Why would I say no?
When I could, just say "yes"
Why would I say no?
We've had enough

Gotta keep them going going gone
Why don't we just go
We gotta win
Going going gone

Show me some action
Show me, show me some action, action
Show me some action
Show me, show me some action, action
Show me some action
Show me, show me some action, action
Show me some action
Show me

Get out the way! (Woo-ooh-ooh)
Get out the way! (Woo-ooh-ooh)
I don't care when you're home alone what you're into
Get out the way! (Woo-ooh-ooh)
I don't care that you're all alone, say what?
Get out the way! (Woo-ooh-ooh)

Give it to me one more time
Yeah, that's it

I just lit the fuse
Get out the way
