

# I Got Sick

Don Broco

I, I got sick, I'll do that  
Yeah, sick of the bug I'm fearing  
I've gone bad and won't go back

Love so deep, my love runs so deep  
That I can't stop watching you, can't stop watching you  
On my screen, won't you update me  
No I'm always watching you, always watching you

I, I got sick, I'll do that  
Yeah, sick of the bug I'm fearing  
I've gone bad and won't go back

If you buy some new shoes, when you buy some new clothes  
Got to know, I've got to know  
When you're watching TV or your favourite movie  
Got to know, to know

My heart beats for you, my heart beats  
For the thrill of watching you, thrill of watching you  
Where you've been, what you had to eat  
Say I'm always watching you, always watching you

I, I got sick, I'll do that  
Yeah, sick of the bug I'm fearing  
I've gone bad and won't go back

I, I got sick, I'll do that  
Yeah, sick of the bug I'm fearing  
I've gone bad and won't go and won't go

I, I got sick, I'll do that  
Yeah, sick of the bug I'm fearing  
I've gone bad, yeah, I've gone bad and won't go back
